

4th of July activities in Lewes

Friday, 03 July 2009

If you are looking for activities to participate in for the Fourth of July, there will be no shortage of them in Lewes. Mayor Jim Ford tells WGMD about what he calls "the perfect storm" or activities going on at the same time--- including the old-fashioned Fourth games.

At 8:00 is the Lewes Farmers Market at the Historical Society Complex, and the Boat parade starts at the Roosevelt Inlet at 1:30. Mayor Ford will be in the boat parade again this year.
